

Receive a **FREE 2nd Purification Pack** and a **FREE System Check!**

ELGA

Purchase an ELGA water purification system and receive a **FREE 2nd purification pack** and a **FREE system check!** That's up to a \$1,200 value!

ELGA specializes in delivering water purification systems for research, science, and clinical environments. Our comprehensive range of pure and ultrapure water (Type I, II, III) purification systems provide a few liters to thousands of liters of water per day. Why should you choose ELGA for your laboratory water needs?

- For more than 80 years, we have been technology and innovation market leaders.
- We have dedicated water specialists to design the right solutions for your needs.
- Our service and support solutions are delivered locally.
- We have reliable water systems with low running costs.

Purchase any qualifying ELGA LabWater system between January 1 and December 31, 2018 by visiting vwr.com, calling 1.800.932.5000, or contacting your VWR Sales Representative. Customer must purchase 1st purification pack with order to receive the 2nd free through online redemption. Cannot be combined with other offered promotions. One redemption per system only.

To redeem, have your VWR invoice, VWR purchase order, or VWR packaging slip available and visit vwr.com/promotions and search for **Promo Code 4290**. Fill out the form online before January 15, 2019.

**Contact your VWR sales representative
for your FREE water test kit!**
